

Internal Quality Assurance Cell

Introduction:

The UGC has given guidelines for establishment and monitoring of IQACs' in Higher Education Institutions (HEIs) in India. The IQAC will make a significant and meaningful contribution in the post-accreditation phase of institution. The aim of IQAC is to develop a quality system for consistent & catalytic programmed action to improve the academic performance of the college and to work continuously for creating quality in teaching and learning process, Research, students' progression etc. The IQAC is conducting regular meetings with all stakeholders time to time for sustaining Quality culture in higher education.

Principal,

Shri Dhabekar Kala Mahavidyalaya
Khadki (Cha.) Tq. Dist. Akola
